### Weekly Update

What a week!

And we have so much to celebrate and be thankful for.

On Monday I met with our dedicated Friends of HH. I am so thankful for all the support that they give us as a school both financially and in actual help. They are forever looking for new ways to contribute positively to the life of the school.

This week saw our Year 5s travel to the Warner Brother’s Studios for an immersive experience which I know will aid their writing in particular.

The whole school participated in Science Week and were encouraged to ask questions, investigate, observe and record.

Last night we celebrated the creative skills in the TLET Talent show final. I could not be more proud of our young people's achievements.

## Well done Year 5!

We love hearing positive feedback from you. This week the Year 5 pupils travelled to the Warner Brothers' Studio. They had an amazing day and are still talking about it now. This day could not have happened without the support of you as parents / carers which we greatly appreciate.

*I just wanted to take a moment to commend the Year 5 children for their excellent behaviour during the Harry Potter trip. It was wonderful to see the respect they showed and the fantastic relationship they had with the staff. They were attentive, well-mannered, and always quick to return to their designated groups when asked. They and the staff are a true credit to the school. (A Parent of a Year 5 child.)*

## TLET Talent Show

Last night the annual TLET Talent Show took place at Ashlawn school where pupils from across our Trust Schools competed against each other. We witnessed a wide variety of performances including: football tricks; dog tricks; singing; dancing; gymnastics; musical instruments.

We are incredibly proud of our finalists:

Bella (6) - singing  
Alanna (6) - gymnastics  
Ella (5) - singing  
Millie and Izzie (5 and 6) - dog tricks  
Sophie and Abby (6) - dance

A special well done to Sophie and Abby for winning the award for Creativity for their Aladdin inspired routine.

We are so proud of you all and your courage to stand up and perform. A very special thank you goes to Miss. Crowther for all her work in the background helping to arrange the evening.

## Comic Relief Day

On Friday 21st March we will be celebrating Red Nose Day. This is an opportunity to raise money to help relieve poverty both in the UK and abroad.

For this day we would like the children to come to school in their school uniform as usual but with one thing swapped for something **red**.

Donations can be made via ParentMail (suggested £1 donation).
