### Weekly Update

As we approach the end of the term we have begun to look back on the highs and lows of the past year. To see how much so many of our pupils have grown and matured is a great joy. This week I want to commend to you our Year 6 boys. So many of them have come up with ways to improve playtimes. One group, led by Henley, put forward a proposal to re-introduce football at lunchtime on the Cornwallis Site. They wrote out their ideas and presented these to Miss. Coulson (P.E. Co-ordinator) and myself. They had not shied away from any potential issues, but instead came with solutions. This even included them announcing the scheme to the whole school in assembly and giving up every lunchtime to referee it.

To see how much these young people have developed in their social and leadership skills is a real credit to them. When our CEO visited on site he commented on their foresight and dedication.

Well done!
